

# ELDERFLOWER BEER

A splash of elderflower cordial brings out the flowery, herby flavour of white beer. Delicious with a fresh sprig of verbena, and it looks great too.

## YOU WILL NEED

100 ml elderflower cordial  
4 bottles Belgium white beer  
(for example Gulpener Korenwolf)  
four springs fresh verbena

## HOW TO MAKE IT

Pour the elderflower cordial into four beer glasses and fill with white beer. Add a sprig of verbena and serve.
